

Toy Donation Program

There are many ways you can help:

- Donate gifts for your child's birthday
- Hold a toy drive at work
- Celebrate the holiday spirit of giving with your children
- Give in honor or in memory of someone you care about
- Monetary gift by check, credit card, or stock transfer

Guidelines to ensure safety and infection prevention:

- For safety and infection control reasons, please donate only **new** items that are washable, nontoxic, and not easily broken.
- Handmade items, like blankets and scarves are all washed at Children's Hospital per infection control before they are passed onto patients.
- We do not accept DVD's or video games. You may donate gift cards for us to use for digital downloads.
- Arts and crafts should not include glitter.

- Rubber and/or latex balloons are prohibited inside the hospital due to patient allergies.
- We do not accept cards for patients.
- **Please do not wrap gifts.**

Donate online:

Shop our official Wish List on Amazon: <https://a.co/bzZ9cFE>.

Donate drop off:

Donations may be dropped off in the Children's Hospital at Erlanger Lobby (Emergency Room entrance).

If you would like a form for tax purposes, you may fill out a donation form at the information desk.

Due to privacy and infection control for our patients and hospital visitors, we do not allow donations to be given directly to patients or families.

Contact Child Life at 423-778-6814 or childlife@erlanger.org for questions related to donations, as well as to coordinate a drop off.
