

2025 Neuroscience Symposium Agenda

Main Ballroom:

7:30am-8:10am	Registration/Breakfast
8:30am-8:45am	Opening remarks/Introduction- Traci Jennings
8:45am-9:15am	Keynote- Erlanger Neurology Advances – Dr. Mounzer Kassab
9:15am-10:15am	“Memory in Focus: The Latest on Dementia”- Dr. Berneet Kaur
10:15am-10:30am	Break/Exhibitors

Breakout Sessions PROVIDERS	
Room #7 PROVIDERS	Room #8 PROVIDERS
10:30am-11:00am “From ER to EEG: Clinical Workup of Febrile Seizures In Pediatrics” (Dr. Coy Miller)	10:30am-11:00am “Beyond the Exam: Using Electromyography to Clarify Neuromuscular Diseases” (Dr. Josh Alpers)
11:00am-11:30am “Recognizing Tic Disorders: Clinical Red Flags and Diagnostic Pearls” (Dr. Coy Miller)	11:00am-11:30am “Seeing the Unseen: Real-Time Ultrasound Imaging for Nerve Identification and Intervention” (Dr. Chelsea Shugars)

Breakout Sessions NURSING/PRE-HOSPITAL	
Room #9 NURSING/PRE-HOSPITAL	Room #10 NURSING/PRE-HOSPITAL
10:30-11:00: “Concussion Clarity: Managing the Invisible Injury” (Dr. Daniel Keuter)	10:30am-11:30am Brain Dissection (Dr. Prayash Patel)
11:00am-11:30am “Keeping the Balance: Safe EVD Management at the Bedside” (Jessie Cochran, PA)	

Main Ballroom:

11:30am-12:30pm	Lunch/Exhibitors
-----------------	------------------

Session Topic- attendees will choose one to attend on day of event	
Room #7	Room #8
12:30-1:00 "Spine Health in the Aging Adult Athlete" (Dr. Jody Miller)	12:30-1:30 Thrombectomy Demonstration (Dr. Harris Hawk)
1:00-1:30 "Beyond the Scalpel: Evidence-Based Conservative Approaches to Back Pain" (Dr. Rhett Blake)	

Main Ballroom:

1:30pm-1:45pm Break/Exhibitors

Breakout Sessions PROVIDERS	
Room #7 PROVIDERS	Room #8 PROVIDERS
1:45pm-2:15pm: "Spinal Cord Stimulation in Practice: Expanding Frontiers in Chronic Pain Management" (Dr. David Wallace)	1:45pm-2:15pm: "Hope in Motion: What you Should Know about Advanced Parkinson's Therapies" (Dr. Ellen Valadez)
2:15pm-2:45pm "Sorting Spine Symptoms: When to Treat, When to Refer" (Katie Arnold, NP)	2:15pm-2:45pm "Sleep Pearls Blitz: Insomnia & RLS Essentials" (Dr. Juan Cuebas)

Breakout Sessions: NURSING/PRE-HOSPITAL	
Room #9 NURSING/PRE-HOSPITAL	Room #10
1:45pm-2:15pm: "Depression After Stroke: Identifying the Silent Barrier to Recovery" (Dr. Megan Stevens)	1:45pm-2:45pm Brain Dissection (Dr. Michael Gallagher)
2:15pm-2:45pm: "State of Confusion: Recognizing and Managing Acute Delirium" (Jared Coston, NP)	

Main Room

2:45pm-3:00pm Break/Exhibitors

3:00pm-3:30pm "Recognizing Seizure Patterns: A Practical Approach for Clinicians"- Dr. Jake McKay

3:30pm-4:00pm Closing Remarks/Survey- Dr. Josh Alpers
